Subject: State Flag

Governor Fordice:

Please don't allow a few whiners to change our state flag. If you do that it will not be long until they want to change our country's flag to. If they don't like it then they can leave Mississippi and live somewhere else. I am sick to death of certain people thinking they can push us around. We have rights to and that flag is part of our heritage. I am proud of the fact that Mississippians then had the nerve to stand up for what they believed in. They should not be forgotten, so before you let them change our flag, just remember that our ancestors died so that we could the freedom to do as we please and one group of people should be allowed to dictate to the rest of us what we can or cannot have.

Thank You
Shira Wade

Sincerely,

Shira Wade
